ABOUT ME

 [Dribbble](#)  [LinkedIn](#)  [Website](#)

With a solid background of 2.6 years in User Experience Design, my primary goal is to enhance user satisfaction by reducing cognitive load and ensuring product usability. In my full-time position, I have successfully collaborated with clients from various countries such as Canada, Germany, Dubai & USA. I am a proactive team player, I possess strong self-learning abilities, and excel at efficiently resolving complex issues.
