Dear Sir,

I am writing this letter to you to apply for the position of "WordPress Developer" in your company. I came across the position via your company's website and wanted to apply for the position.

I have a degree of BSc in Software Engineering and I'm a recent graduate from Daffodil International University and am looking to gain additional experience in my field. Please manage a few minutes from your valuable time to review my attached resume.

I have learned that I enjoy working in this field and that I can prove to be a valuable asset with my present skill set. I enjoy working with like-minded people, and I am a team player. The challenges that the 'WordPress Developer' position offer is big and I am sure that with an expert team I can take these challenges head-on.

Thank you for your time and for considering me as a candidate. I have mentioned my contact number and email id in my resume and will send a follow-up email next week if further information is required.

Yours sincerely,  
Fahim Mahmud
