EXPERIENCE

The law firm, London — SEO executive

March 2020- September 2021

Researching relevant keywords and phrases to drive organic traffic to the website. Optimizing web pages by including targeted keywords in metatags, headings, content, and URLs. Ensuring the website is properly structured, optimized, and accessible for search engine crawlers, including tasks such as XML sitemap creation, robots.txt optimization, and resolving technical issues that hinder search engine indexing

The costume company, Australia — SEO specialist

MONTH 20XX - MONTH 20XX

As an SEO specialist, your responsibilities include optimizing website content, conducting keyword research, monitoring search rankings, and staying updated with industry trends for effective SEO strategies and performance.

Beard Growth Supplement — SEO Expert

MONTH 20XX - MONTH 20XX

As an SEO Expert for the beard supplement website, I was responsible for implementing and managing search engine optimization strategies to improve the website's visibility, organic traffic, and search rankings. My role involved a combination of technical optimizations, content strategy, and data analysis to enhance the overall online presence of the website.

EDUCATION

Narail Victoria Govt, College, Narail — Bachelor of Arts

April 2016 - August 2022

I studied philosophy for four years as a bachelor's degree.
