Nahid Mahmud

Web Developer

Certified web designer and developer with a strong foundation in Web Design and Development. Proficient in HTML5, CSS3, Bootstrap, JavaScript, PHP, and WordPress, I am dedicated to creating effective web solutions. My objective is to contribute my skills and experience to deliver optimal results for an organization while continually enhancing my expertise in the field. With 2 years of freelance experience and over 200 completed projects, I am passionate about delivering high-quality work.

Experience

2019 - Present

Fiverr - Freelance Marketplace

WordPress Designer

As a web and WordPress designer on Fiverr, I've successfully completed every project with 5-star ratings and reviews, delivering quality services that have achieved high satisfaction from the clients. I'm dedicated to timely project delivery and successful completion.

2020 - 2021

TN-Team - Freelance Group

Web Designer

In March 2020, I co-founded 'TN-Team,' a Fiverr-based web design team with another member. Together, we successfully completed various web design projects and earned positive reviews and client satisfaction. We discussed and analyzed every project's requirements, and this collaborative approach helped us to achieve successful project deliveries and ensure client satisfaction.

Projects

Business Website Design

I created a modern 10-page website for Assure Media Group according to the client's requirements. The website features five main pages, a contact form, a beautiful design, and additional subpages. The client was highly satisfied and happy with the new look of the website.

Technologies: Wordpress, Elementor, Hello-Elmentor

Project-URL: <nahidmahmud.com>

Health & Beauty Website Design

I created a beautiful 7-page website for 'Always Smooth,' meeting the client's specific requirements. The website includes a shop feature, along with essential pages such as 'About,' 'Services,' 'FAQ,' 'Blog,' and 'Contact.' After delivering this website, I achieved a very good review and high satisfaction from the client.

Technologies: Wordpress, Elementor, Astra, WooCommerce

Project-URL: <nahidmahmud.com>

Non-Profit Involvement

2022 - Present

AID Hand Society- A Non-Profit Organization

Donation & Finance Coordinator

At AID Hand Society, my role involves collecting donations from supporters and maintaining transparent financial records. As the Donation & Finance Coordinator, I send monthly financial reports to the organization's administrator. Additionally, I analyze and explore possible ways to attract more donors and increase revenue. So that, the organization can be financially stable and grow.
