ABOUT ME

Aspiring Front End Web Developer eager to contribute to the creation of engaging and functional websites. Skilled in **HTML, CSS, JavaScript, TailwindCSS, and ReactJS**. Dedicated to learning and translating concepts into digital solutions. Seeking opportunities to apply knowledge and grow in a professional environment.

PROJECTS

LIVE CRICKET WEBSITE

Personal Project | Developed a responsive live cricket website using React.js, Tailwind CSS, and React Router.

- Live Updates: Real-time match scores and statistics.
- Routing: Seamless navigation with React Router.
- Responsive Design: Tailwind CSS for mobile-friendly UI.
- Scoreboard & Rankings: Real-time data updates.

Live Demo: crichdr.netlify.app

PRODUCT PURCHASE PAGE

- Built a responsive product purchase page with React JS and Tailwind CSS.
- Integrated product listings, detailed views, and a smooth checkout.

SINGLE PRODUCT PURCHASE PAGE

Developed a fully functional purchase page for a single product, focusing on user experience.

- Responsive Design: Ensured mobile-friendly and cross-device compatibility.
- Form Handling: Implemented robust form validation for user information input.
- Payment Integration: Integrated COD (Cash on Delivery) and bKash for secure payments.
