Mission and Vision

I am Hasan Wazid. A Proficient Front-end Developer and CMS expert with more than 3 years of experience delivering clean, functional, and user-friendly websites for my clients. My approach is to understand your needs and work collaboratively to achieve your goals. I have a proven track record of delivering projects on time within budget and to a high standard. I'm also very flexible and adaptable, able to work with clients from a range of different industries and backgrounds. My experience includes HTML, CSS, Sass, Bootstrap, Tailwind CSS, JavaScript, React, Next.js, and Redux, and I also have a wealth of skills in WordPress and Shopify.

Skills

- **Programming Language:** Javascript, Typescript.
- **Framework/libraries:** React, Redux, NextJS, Bootstrap, TailwindCss
- **CSS preprocessor:** BEM, SASS
- **Package managers:** NPM, Yarn
- **Platforms/tools:** Git & GitHub
- **Learning:** PHP.
