- About me -

I have been exploring web development for almost 4 years. after 2021 I strongly started learning WordPress In Depth. I started Developing simple WordPress Plugin and Theme. and successfully published some WordPress Plugins and Themes in The WordPress Plugin and Theme Directory. **Earlier I Did Developed A WordPress Plugin That Let Admin of The Site To Create Portfolio With Input From Dashboard Where I Used PHP OOP for Maintainable Code, Webpack for Compiling SAAS, JS, TailWindCSS and WordPress Option API.**

- Skills -

Client Side:- **HTML, CSS, Javascript, TailwindCSS, SASS**

Backend:- **PHP, PHP OOP**

Others:- **SVN, Github, Git, Webpack**

WordPress Plugin and Theme Development

- Projects -
