Our Service

Uniformed Security Guard

A Uniformed security guard is an individual employed by a state or private security organization to protect property, People and assets. Their duties include monitoring their surrounding responding to incidents and patrolling assigneddareas while wearing a distinctive uniform that sets them apart from the public

Body Guards & Escorts

When working with the person under protection, it's crucial for a bodyguard to embody honesty, discretion, and resourcefulness without being intrusive. The primary objective is always to ensure the safety of the protected individual. When interacting with colleagues, a bodyguard should prioritize authenticity and professionalism.

Armed Security Guards

Armed security guards play a crucial role in maintaining safety and order in various settings, from commercial properties to high-security areas. With the added responsibility of carrying firearms, specific safety measures and protocols must be in place to ensure their effectiveness and the safety of others.
